

Swachh Bharat Internship -GHMC

The experiential internship program would require the candidate to visit one or more GHMC Areas and conduct activities of their choice to contribute to the cause of better sanitation in India. This is in line with the Prime Minister Narendra Modi's call on October 2, 2014 for each individual to devote 100 hours to Swachhata through the year.

The program aims to:

- Develop the skill and orientation of youth for sanitation related work
- Bring youth across the country an opportunity to make a significant contribution to the **Swachhata Revolution**
- Integrate youth in the community service in urban areas in the run up to the 150th birth anniversary of Mahatma Gandhi

“This is an opportunity for those young people who wish to contribute to the country, bring about a change in society and learn something in the process,” - PM Modi
