Executive Engineer
Div No.15, GHMC.

GREATER HYDERABAD MUNICIPAL CORPORATION
NIT No. 31/EE/Divn.15/SBZ/GHMC/2024-25 dated 18-10-2024

| S.No. | Quotation are invited from Manufactures, Fabricators, Authorities and Dealers . Agencies etc., for the below mentioned items. | Bid Document Download, Start Date & Time / Bid Submission closing date & Time | Name & Address Office & Cell No. |
|-------|---|---|--|
| 1 | <p>1) Design, fabrication, and installation of an 18-foot tall stainless steel "Butterfly Tree" sculpture [Water Mazix Make], intended to enhance public spaces such as junctions. The sculpture features an elegant upward structure with multiple stainless steel rods branching out, each adorned with intricate butterfly-shaped elements. These elements are illuminated by integrated RGB LED lights, creating a visually captivating display, particularly at night. The sculpture will be constructed from high-quality 304L stainless steel, ensuring durability, corrosion resistance, and suitability for various outdoor environments. The surface will have either a polished or brushed finish, and the structure will be engineered to meet local wind load and seismic stability requirements. The energy-efficient LED lighting system will be programmable, allowing for customizable lighting patterns that enhance the sculpture's visual appeal during nighttime hours. Fabrication will involve precise laser cutting techniques to detail the butterfly elements. The project scope also includes site preparation, foundation work, electrical wiring, and the safe installation of the sculpture at the designated site.</p> | 22-10-2024 11.00 AM | <p>Sealed quotations can be submitted in the O/o Executive Engineer– Divn- 15, GHMC, Parking Complex, 7th Floor, Abids, Hyd. Cell : 9704456422 Cell : 7337557241 on or before dt: 25-10-2024 11.00 A.M</p> |
| | <p>2) Supplying and installation testing of DOLPHIN cascade water fountain inculkdes 4 feet dolphin with 1 feet mouth cascade with stainless steel 304 grade 16 guage,6 nos make wm, nozzle system to distribute water to dolphin powder coating to dolphin, Cpvc Plumbing Done from Pump to Nozzle System with Required Ball Valves, T Connects, Long Bends, MTA Connects and Unions Which is Used To disconnect pump from Nozzle System for the Future Maintenance purpose Make: With Ashirwad or equivalent Pipes with Pressure Control Ball Valves and, Specialise Fountain Purpose Pump Which is Having 650 Lpm Capacity to give proper Pressure to the Nozzle System and Nozzles, Control pannel which control the total Fountain Pump and Led Lights with Electro Powder Coated Pump Started of Single Phased, with MCB. Electro powder coating with MCB/Fuse/Indicating, Wiring Done with Water Proofing Joints which is used for under water Witing, Stainless Steel Body LED Lights which have IP 68 rating which is operatable under Water and with concealed tuffend Glass on top. Body-Stainless Steel Body with IP 68 Rating Make- ACE, Power Transfarmer with IP 68 Rating INCULDE LABOUR CHARGES, TRANSPORTATION ETC.</p> | 25-10-2024 11.00 AM | |

Further details and complete specification for the abovbe items can be obtained from
